13<sup>th</sup> June, 2023

Dear Parents/Guardians,

Over the past year, as our students returned to school two of our challenges are the safety of your children to and from school and their punctuality to school. I have mentioned on previous occasions that the time some children arrive at school is quite questionable. Some parents are unaware of the late arrival of their children to school.

In an effort to assist you, the parent, in monitoring your child's attendance and punctuality, effective September 2023 students of Forms 1-4 and Lower 6 will have their Student ID cards configured into an electronic chip card similar to what is used by banks. Students entering the school compound must tap their chip cards upon entry to the school compound to register their attendance at school. This would allow you, the parent to view your child's attendance online.

The cost of conversion of each student ID cards will be \$60.00. Parents are kindly asked to make this payment at any First Citizen Bank, account No. 778326. Please complete this online form <https://forms.gle/9fMc3nNY4Je1TkHu5> or scan the QR Code below and upload an image of the receipt by July 31<sup>st</sup>, 2023 to ensure timely processing of your child's ID card.

Conversion of cards will take place during the first week of September when school re-opens.

Yours sincerely,

*Desner Corria-Paul*

Principal (Ag.)
