

UNESCO CULTURAL AMBASSADORS

Slovak student's reviews from mobility in Baza:

Monika:

Erasmus was benefiting for me. I met many people, socialised and got to know a new culture. I admired architecture of towns. Baza, where we lived, was a unique, despite it's small area. Knowing and discovering new Unesco sights. Erasmus was full of unexpected surprises and late night dinners. I am happy that I got a chance to see and be in Spain.

Slovak student's reviews from mobility in Vilnius:

Sofia:

For me, this Erasmus was an experience of a lifetime. I got to know a new culture, maybe even culture shocks. I tried new foods but it was worth it. The people were very nice and welcoming. I felt really wonderful in the family. I met a lot of new people with whom I am still in touch. And last but not least, I definitely improved my communication skills.
